

## Tasks

Fallon – 5 days for roots and shoots at NC

Fallon – Enter items into QuickBooks

Prescott – Delete old program planner and finance planner and send Terry new links

## Reports and Announcements

- CLC: Support for taking Roots and Shoots to NC again, need grant and money
  - Previously got mini-grant, could try for it again, good time to apply
  - Shooting for 4 or 5 visits, transportation should be free
- Will meet with Sherry next week to discuss tax and accounting

## Future Projects

- Consider role in Outdoor School (Measure 99)
  - If we could scale up, we could offer outdoor school which would be funded
  - Could connect schools with sites if we can't host ourselves
  - Site in Forest Grove could mean local outdoor school
  - Go to city council and present the economic opportunity that local outdoor school could mean
    - Talk to Victoria from City Council
- Expanding Capacity
  - Need more people before we are able to expand our capacity
  - Capacity Building Grant (In community and our organization)
    - Talk about outdoor school, teacher training
    - Could hire Fallon, then hire other people to pick up smaller projects
    - Focus on low income population
    - Look into Gray Family Foundation
    - Our backing in the school district and with DCCFW will help our track record
    - Need a partner
    - Set up target students, spread over 10 weeks
- Teacher Training
  - Tom McCall, Sites (Fern Hill, etc)
- Expand summer school to reach more kids
